

Compassionate Care for  
those you love

# Respite Services

To provide temporary  
relief to the unpaid  
primary caregiver

**Remember,** you help provide a  
quality of life with your time. Now  
give yourself some quality time.

Let us help you care for those you  
love by giving you the time to  
have a break, relax and take care  
of yourself.

Independence*

## How Does Respite Care work?

In your home or in the community – help is available

### Respite Services

Respite services are designed to assist an unpaid primary caregiver to allow them the opportunity to have a break from the responsibility of providing care.

#### Care can be provided in:

- the beneficiary's home
- at a licensed family foster care home
- the home of a friend or relative chosen by the beneficiary
- in the community
- in our facility

### Gateway Services Staff

(Service Teamwork Attitude Reliability)

Gateway Services staff are compassionate and caring people trained in CPR and First Aid and hand selected to meet your needs. Staff are trained and experienced in assisting individuals with a variety of disabilities, needs and challenging behaviors.

### Costs

Respite care is a Medicaid covered service that can be discussed and decided upon as part of the Person Centered Planning Process. Private pay arrangements are also available.

**Let us help  
you care for  
those you  
love!**

### How Respite Can Help You

- You can visit with a friend
- Spend time with a spouse
- Get away for the weekend
- Run errands, go out to a movie or dinner with a friend
- Go to the gym
- Relax & spend several hours away from the demands of caregiving
- Recharge your batteries

*If you want to know more about Respite Services and have questions regarding how this works and how it can work for you, please call. We welcome your inquiries and hope you will take the time to call. There is help available and we can discuss your options and help you connect with other services that may be available to you.
